The Presbyterian Women’s Coordinating Team is pleased and excited to present the plans, hopes and dreams for the project we are calling “Mission-N-A-Weekend.”

This event is an exciting and fantastic opportunity for making a difference. The mission project scheduled for October 1,2&3rd will take place at the Regional Girls Shelter in Springfield, MO.

There are many goals we hope to reach with the help of people like you and me who would like to make an important difference in the lives of the young women of the Regional Girls Shelter. The three houses, Ashley Cottage, Stenger Hall and Herschend House will be the focus of Mission-N-A-Weekend.

The projects are many requiring various skills. A partial list includes painting of 14 bedrooms, 3 living rooms, halls, etc. tearing out and replacing carpeting & vinyl flooring, exterior painting and general repairs. A porch needing cement repair and supports secured. A kitchen to be dismantled in preparation for remodeling. Fall cleaning of the garden and yards of the three homes. Funding is needed to help make these and additional projects possible.

Please register now and join us for this challenging and awesome opportunity. The deadline for registering is July 3, 2010. Contact Shirley Buer for additional information at 417-751-3882 or craftysmb@yahoo.com.
